## FOOD-GRADE NITROGEN

Our generators supply the best Nitrogen, benefitting the food industry by providing:

- Longer shelf life
- Better transportability by eliminating package collapse
- Preserves food by preventing oxygen exposure
- Maintains freshness, taste, texture, and flavor for longer periods of time

From silo to bottle manufacturing, South-Tek Systems has your Nitrogen needs covered.

*No matter the size.*

generate  
nitrogen  
from thin air<sup>®</sup>

## APPLICATION EXAMPLES

- Fryer Caps
- Tote Purge
- Railcar Load Out
- Long-Term Storage
- Blanketing
- Packaging
- MAP
- Purging
- Product Pressurizing

## HOW IT WORKS

South-Tek's *tried, tested and proven* Nitrogen Generation Technology safely separates the readily available Nitrogen from within the air we breathe. Our generators create quality Nitrogen immediately ready for any food-grade application. By using STS generators, eliminate costly, unsafe, and unnecessary gas alternatives. Contact us today to find out more!

## SYSTEM BENEFITS

- Automatically generate your own Nitrogen on demand
- Reduce your Nitrogen costs by up to 90%
- No missed deliveries, escalating costs, or contracts to sign
- Fast payback with ROI average 12-14 months over bulk liquid
- System life expectancy of over 20 years
- Standard 2 year warranty
