

FEATURES

South-Tek's efficient Feed Air Compressors are designed to quickly fill the largest system to capacity within 30 minutes (0-40 PSI).

- | Oil lubricated accumulator tank
- | Aftercooler, magnetic starter, low oil monitor
- | Vibration isolator pads
- | Pneumatic auto-drain off of the air receiver tank

UNIT DETAILS

	7-CS	7HD-CS	10-CS
Part Number			
	STS-NF-C-7-CS	STS-NF-C-7HD-CS	STS-NF-C-10-CS
Dimensions			
A (Width)	36.98"	43.58"	
B (Depth)	25.25"	25.32"	
C (Height)	74.15"	72.43"	
Air Compressor Weight	685 lbs.	800 lbs.	865 lbs.
Unit Details			
Accumulator Tank	80 gal.		
Horsepower	7.5 hp		10 hp
SCFM	25	32.1	36.9
Min. Working Pressure	125 PSI		
Zone Capacity Filled within 30 Min. (40 PSI)	2,100 gal.	2,650 gal.	3,000 gal.
Air Compressor Electric	200-208V / 3 Phase / 24 Amps 208-230V / 3 Phase / 18 Amps 460V / 3 Phase / 9 Amps		200-208V / 3 Phase / 31 Amps 208-230V / 3 Phase / 28 Amps 460V / 3 Phase / 14 Amps
Warranty	One Year ¹		

1. Per Manufacturer's Terms & Conditions.
